I do believe that everyone has a dream. But not all has a strength to make it real. Passion Discovery Program will help us to find ammunitions to make it happen. This program help us to map our dream strategically.

Robinson Sinurat – Project Manager YES Academy ASEAN

Before joining the Passion Discovery Program from Insight Out, I could not realize my real passion. Yet, after I joined this program I know what I have to do. For me, the concept was different with other programs. For those of you who still confuse with your passion, this program is totally worth to join. You will meet the incredible speakers and participants. They will guide you to find your future!
