### Sona Hovhannisyan, Corporate Learning Division Head (Armenia)

There are people who LET YOU emerge and grow in your own pace, who have enough patience and inner trust towards the power of others, who give space for others to win. That is Insight Out's life coaching program. My coach stayed in my mind as a person who is fulfilled only when he sees another butterfly being born in front of his eyes. He has helped me in my journey, and he still does... Wishing you the "butterfly transformation" experience.
